

	<p>Serving Sounds</p> <p>A unique musical experience to quench your thirst!</p>
	<p>Where?</p> <p>Chaophraya Square</p>
	<p>When?</p> <p>12.30pm, 2pm, 3.30pm, 4pm</p>
	<p>How long?</p> <p>3 minutes</p>
	<p>What you need to know:</p> <p>Multi-sensory sound installation – a bar that serves music instead of drink!</p> <p>You don't drink the drink ... you make music with it! Even the lemons!</p>
	<p>Trigger points:</p> <p>Touching different objects can make you feel a bit anxious. Don't worry – you don't have to touch things if you don't want to.</p>
 	<p>Seating/ standing:</p> <p>Four people standing at the bar ... but wheelchair spaces are available.</p> <p>But you can also watch everyone else and just listen to the music other people are making at the bar before you are served!</p>
